

COVIDSCAPES

PARTICIPATORY RESEARCH

Started in March 2020: Closed due to the pandemic

<https://u-paris.fr/global-research-institute-paris/fermeture-pour-cause-de-pandemie-appel-pour-une-recherche-globale-et-participative/>

(500 photos)

Sharing with the research community

- through future articles (Carnets du GRIP, a book published by Brill...)
- through an exhibition on the platform of the Ad Memoriam Covid-19 Institute

Demultiplied in the Language and globalisation course

- 250 photos by M2 DDL and M2 SDS students
- 7 commentary videos
- 1 short synthesis film
- 1 presentation clip

Transposed to the field of digital pedagogy

- via the U Lab programme of the CRI/Institut des Défis
- with the help of Matthieu Louis-Jean (GRIP intern)
- for future master's students and EUR
