FEMALE FOUNDERS RETREAT

UNIVERSITE PARIS CITE

21-22 March 2023

Circle U.
European University Alliance

Co-funded by the
Erasmus+ Programme
of the European Union

This project has received funding from the European Union's Erasmus+ Programme under grant agreement No. 101004062

Circle U.

The European University Alliance Circle U. brings together Aarhus Universitet, Humboldt-Universität zu Berlin, King's College London, Univerzitet u Beogradu, Universitetet i Oslo, Université catholique de Louvain, Université Paris Cité, Universität Wien and Università di Pisa. The "European Universities" initiative, which promotes cutting-edge teaching and research in Europe, is supported and funded by the European Commission. Our goal is to build an inter-university ecosystem and make Circle U. an **inclusive, research-intensive and interdisciplinary European university** where students, staff and partners from civil society, businesses and the public sector collaborate to jointly develop competencies and solutions.

Creating a Student-Led Female Founders Parliament

One of the missions of Circle U. is to empower female entrepreneurs, women in science and academia in general whether they are established members of the community or young students aspiring to become innovators.

Following two successful events in Oslo aimed at identifying key challenges and suitable solutions, Université Paris Cité will host and organise a 2-day retreat on March 21st and 22nd 2023.

The objective of the gathering is to establish student-led Female Founders' Network, declare their goals and values in a Circle U. Female Founders Manifesto and to define the action plan for the upcoming academic years.

Towards Female Empowerment

This event will focus on making the first concrete step towards involving students in female empowerment with the creation of a student-led committee, named Circle U. Female Founders' Parliament. It will serve as a trailblazer and catalyser for setting-up a network of student-led female founders' groups within the Alliance. Participants will have the opportunity to listen to the testimonies of inspiring female founders, women in academia who will share the challenges they have encountered as students and young innovators as well as share the solutions they have found to overcome them.

MONDAY 20/03

19.30pm - WELCOME DINNER FOR ACADEMIC PARTICIPANTS - PLACE TBD

TUESDAY 21/03
